## YP Furniture

At YP beautifully made furniture is a tradition and has been for over 20 years. Attention to detail and quality are paramount in the relentless pursuit of excellence in design and construction, ensuring that each piece is practical and a pleasure to live with. Innovative designs reflecting the changing world we live in have made us an award winning British manufacturer and supplier of quality furniture, ideally suited for stylish homes of today.

## Country House

Country style proved to be an enduring theme over the last few years, suggesting comfort and informality and offering a welcome sanctuary in today's high pressure world. As a general rule, farmhouse furniture has tended towards the rustic, while the manor houses have favoured more elegant furniture often based on late eighteenth century style.

Country House creates a truly modern look and yet values traditional skills and workmanship. The collection is carefully produced in solid timbers and modern materials where appropriate. A choice of hand painted brushed pastel colours is offered to set against the traditional wood finishes and you can also choose from an antique brass or chrome handle option. Country House is smart but with an informal feel, elegant yet comfortable. It is an intriguing mixture of opposites. Truly timeless, characterised by an individual blending of old and new, which gives it a unique versatility and makes it particularly appealing.

Each piece is carefully painted by hand, the brush marks and lightly applied patina create a feeling of authenticity. A protective clear lacquer is then applied to each piece providing a durable and maintenance free surface.

# TWO DISTINCTIVE STYLES ...

The Country House range is available in 2 distinctive styles, creating 2 very different looks.

The fully hand painted option brings a casual, contemporary style to any room. The pastel colours easily blend with other furnishings and are ideal when creating an eclectic mix of styles.

The painted with polished wooden tops option has a rustic Country feel. A choice of 2 colours of solid pine tops, combined with 8 hand painted pastel colours, is ideal for furnishing an older property, or where a warm Country feel is required.

And for that finishing touch you can also choose an antique brass or chrome handle.
